

# Class 1DB- Summer 2

Our topic this half term is "Which Promenade would you like to stroll along?"

Welcome back after the half term holiday. I would like to take this opportunity to tell you about the topics your children will be studying during this half term.

## Homework

From this term homework will be handed out every Friday. This will be collected in the following Friday.

## Literacy

Our main areas of study will be:

- \* Story writing
- \* Instructions
- \* Recounts

During literacy your child will also be focusing on grammar, punctuation and guided reading.

## Numeracy

Our main areas of study will be:

- \* Ordering numbers
- \* Addition and Subtraction
- \* Multiplication and Division
- \* Measuring
- \* Problem solving

## Spellings

Spellings will continue to be given out each Tuesday. A spelling test will take place the following week. Your continued support in practising these

## Reading

During the first half of the summer term, Class 1DB met the 'Must, Could and Challenge' on a number of occasions. Moving forward, I am challenging the class to continue in this positive direction. Please continue to read a few pages of your child's home reading book with them every night and sign the reading record after your child has read. You can also support your child's learning by asking a few questions about the book.

## Science

The science theme for this half term is 'Animals including humans'. The children will use their observational skills to identify different body parts, and compare different types of animals.

## RE

In RE we will be answering the question "What makes our church special?" The children will be focusing on different celebrations that happen at the church. We will be learning about the importance of our local Church, St James' Church in Sutton.

## Music

The children will continue to learn about how to make different sounds with their voices and follow short rhythmic patterns.

## ICT

During ICT we will be using the internet to research information about our local seaside towns.

The children will continue using a range of different software e.g. word processing and art packages

They will also further develop their understanding of online-safety as well as learning about programming and coding in a number of different scenarios.

## PE

PE lessons will be on Tuesday and Thursday. Please make sure your child has full PE kit in school on these days. Please remember earrings should not be worn on PE days.

## Art/ DT

During our Art and DT lessons we will be making our own Seaside windmills. We will also be creating pictures of the Seaside using pastels.

## And finally...

Please feel free to come into school, at the beginning or end of the day, to discuss any concerns with myself or Mrs Mathers.

## History/Geography

As historians we will be focusing on Bridlington now and then, looking at the different changes to the seaside over the years.

As geographers we will be focusing on comparing the differences and similarities of the Hull and Bridlington landscape. We will be using geographical vocabulary to describe what we have learnt.
